

COPPER DEVELOPMENT ASSOCIATION

Product/Supplier Questionnaire

CDA does not endorse products or manufacturers but does request information on alloys and finishes from those wishing to have their products featured in our online antimicrobial product catalogue. If you have any questions concerning the technology behind the efficacy of copper against microbes, then please contact helpline@copperdev.co.uk before completing this form.

	Example	
1. Company		
2. Address		
3. Contact for CDA		
4. Job title		
5. Email		
6. Telephone		
7. Contact for website		
8. Web catalogue email		
9. Weblink address	www.egco.com	
10. Product type	handle	
11. Product name	brass knob	
12. Touch material	brass	
13. Finish	polished	
14. Lacquer, wax etc	no	
15. Material designation	CW505L (CZ106)	
16. Product compliance	BS EN 1906	

Image: Please supply a hi-resolution image of your product and a web version for the online catalogue. This should be 160 pixels wide at 72 dpi.

Legislation: always verify your design meets local disability access, building or engineering standards (e.g. EN 1906).

I would like my product added to the online catalogue and my company details listed in the supplier directory (under development) on www.copperinfo.co.uk . I give my permission for the images to be used here and in other promotional materials.

Please return form by fax or post. Please email image to mail@copperdev.co.uk.
